# ARE YOU A TRUE MAROON?

We have designed a test to see how many true-bred Maroons CHS is sending into the world. Give yourself one point for each characteristic that applies to you.

8-10 YOU'RE A TRUE MAROON!

4-7 YOU'RE EITHER A FRESHMAN OR A NEW STUDENT!

0-3 ARE YOU SURE YOU GO TO CHS?

1. Did you attend at least one wrestling meet this year?
2. Have you been kicked out of the library at least once?
3. Do you cruise the square at least once a weekend?
4. Have you been asked to move your car at least once because you didn't park it in the right spot?
5. Do you spend 20 minutes in the lunch line and only have 10 minutes to eat?
6. Do you have to share a chair with someone in lunch?
7. Do you have to bring a pair of white socks just for P.E.?
8. Do you have to rush home before your parents get there so you can destroy the D/F slips?
9. Is it impossible for you to walk down Senior Hall because of all the freshmen?
10. Did you get at least one hour off each year because of a bomb scare?

## *Senior Favorites*

# *NEITHER RAIN NOR SNOW ...*

## *Senior Favorites of 1989*

For several years it has been a tradition to choose senior favorites. In the past categories have ranged from class partier to most likely to succeed. This year the seniors chose more conservative categories.

On November 15, 1989, twenty-two seniors loaded the bus to go to ten different locations around Clinton for Senior Favorite photos. The favorites elected by the Class of 1990 are as follows: Best Looking, Valarie Chapman and Robb Taylor; Best Personality, Leslie Martin and Dan Barclay; Friendliest, Dawn Rogers and Bill Anderson; Done Most for CHS, Mary Bixler and Chris Ware; Best Dressed, Joanna Woolridge and Chad

Irvin; Most Spirited, Melissa Schumacher and Dale Sizemore; Class Flirt, Angie Dunakey and Jeff Hammer; Most Athletic, Jody Nichols and Trent Fairfield; Class Comedian, Telisa Carter and Jamie May; Most Talented, Jenny Lowers and Clay Stauffer; Most Likely to Succeed, Sandy Welch and Scott Reeser.

Mr. Bauersachs and a McLean Studio photographer accompanied the students to Studio 54, Woodward Park, The Shack, Loves, McDonald's, YMCA, WHOW, Larry Allison's, and the Clinton High School. It rained the entire day, but nothing seemed to dampen the spirits of the Class of 1990.

BEST PERSONALITY: Dan Barclay and Leslie Martin

BEST LOOKING: Robb Taylor and Valarie Chapman

BEST DRESSED: Chad Irvin and Joanna Woolridge

## *FRIENDS THAT ARE ...*

Through the years we've all stayed together. How I'll never know. But there is one thing I do know, I love you all. I can't imagine what my life would have been like without you. Some of us have grown apart and some of us have become closer. But we all know that we can count on each other. Even when we grow old and gray we'll remember the "GANG" and all of our wild times and parties together from kindergarten to college. For us girls it went from Barbie dolls to boys. For the guys it went from toy trucks to girls. Whatever our interests were, they entwined us all together to remember forever. Youth is fleeting, but we will all have it forever in our memories!

## *NO MIXED EMOTIONS*

There were no mixed emotions when the Rolling Stones launched their 1989 tour August 13, the first in eight years. The Stones kicked it off when they pulled into a tiny New Haven, Connecticut, night club. The impromptu gig cost 700 fans \$3.00 a piece.

The Stones, who had been rehearsing for the pre-

vious six weeks, brought the house down with an eleven song, hour-long set.

Members of the band are Ron Wood, Mick Jagger, Keith Richards, and Bill Wyman. The drummer is Charlie Watt.

## NATURE REBELS

# BOTH COASTS FEEL WRATH

In less than one month, both coasts felt the wrath of natural disasters. Leaving a trail of death and destruction, Hurricane Hugo raced into the coastal city of Charleston, S.C., on Sept. 22, 1989. Winds of 135 mph snapped power lines and flooded low-lying areas, causing half a million people to flee and thousands to

become homeless. On Oct. 27, 1989, an earthquake rocked Northern California, killing 62 and injuring hundreds. The quake struck during rush hour, just as Game 3 of the World Series was to begin. Registering 6.9 on the Richter scale, it was the second worst in U.S. history.

## A Poem About Jeff

Had a walk as smooth as a summer breeze  
Had a smile as fresh as spring tree's  
Had hair as blond as gold  
Had a face you could never scold  
Although Jeffy was a good boy  
He lived his life like a new toy  
He did everything to make it fun  
He put a smile on everyone  
Jeffy was a boy 16 years of age  
But in his life filled many a page  
Though his life is over and done  
We'll remember and love him because  
He was as bright as the morning sun

## ***JUNIORS RAISE MONEY FOR PROM***

Guided by the floatmaster, the Class of '91 built its second first-place float in three years, with their entry of "Skunk 'em," which lifted its tail and sprayed a Pontiac Indian.

The class was busy with fundraisers, primarily candy bar sales, and they had over \$2,000 to spend on prom. The prom was held in the gymnasium and after prom at the Clinton Y.M.C.A. All in all, it was a good year for the class of 1991, with bigger things expected for their future.

## ***SPIRIT WORKS WONDERS***

The Class of 1992 had a very busy year. The sophomores made a great appearance during the spirit week activities, and everyone worked together to "Paint the Indians" on homecoming night.

Fundraising activities included the volleyball concession stand and the sale of class t-shirts and mugs. Other fundraisers included candy sales and a dance. They are making big plans for next year's prom!

***FRESHMEN***

## FROSH PREPARE FOR '93

During the 1989-1990 school year, the freshmen of 1993 were involved in election of officers, fundraising, and float building. Although they did not place in the competition, they worked very hard and did a superb job.

The class fundraiser was a success. They raised over \$850 in the late fall fundraiser and made over \$300 by working the concession stand at the first football game.

All of the above were learning experiences for this year's freshmen, and they will continue to grow throughout the next three years.

## ***“HEAVEN”***

“Heaven” was the theme for this year’s Homecoming Dance, and that is exactly where Bryson Crabtree and Valarie Chapman were, Heaven. They were crowned the 1989 Homecoming King and Queen at the coronation held on October 5, 1989. Each Queen candidate was given a box with a rose in it, and the winner’s box had a white rose. Each King Candidate was given an envelope with a note of congratulations.

The following evening, Friday, October 6, the Maroons took on the Pontiac Indians and lost. Despite the loss, everyone enjoyed the dance held on Saturday night.

# TEXAS— TOO MUCH FUN

It was 3:30 in the morning of May 19 when 56 Clinton seniors loaded two charter buses for St. Louis. When the buses arrived at the airport in St. Louis, everyone boarded the plane. By that time, everyone was wide awake and cameras were flashing. When the plane touched down in Houston, Texas, a full day of plans were awaiting the group. Saturday was spent at Astro World, which contained an extensive water park. On Sunday everyone who hadn't burnt the day before went to Galveston to the beach for tanning and swimming and afterwards a pizza party. On Monday everyone went on a tour of the city and shopped for three hours at the Galleria. At 6:00 p.m. everyone boarded the plane to return; around midnight all 56 students unloaded the buses and once again headed for the square.

# SENIORS GAMBLE

The fourth annual project graduation was held at the Elks in Clinton. Seniors signed in from 11:30 till 12:30 and were asked questions in front of a video camera of future plans. When the doors were locked at 12:30, eighty-eight seniors, the largest group ever, were there to have a great time. From then on eating and dancing were continual, but from 2 until 5 gambling was the main attraction. Everyone played for the big bucks. The bank ran out of money fairly early so everyone became conservative with their bets. At 5 A.M. story telling began. Friends told stories that resulted in tears from laughter. The seniors gathered for a group picture while D.J. Scott Fort played "Hold On" by Wilson-Philops. From 5:30 on the auction took place with everyone returning home with some item. The night was definitely one "Too Good To Forget" and will be in senior memories forever.

The Club also decorated the library for Christmas. Members who helped with the decorations were treated to a pizza party.

The warm spring weather inspired the group to enjoy a play and dinner outing, which was enjoyed by all.

Mrs. Fields suggested that members read and review new books so they could recommend them to other students. This turned out to be a rewarding experience for everyone involved.

## *ADAMS TAKES OVER AS JV COACH*

This year's scholastic bowl team had a solid season. The team, coached by Mr. "Doc" Strain, finished with a 9-7 record in the Okaw Valley Conference. This record included a 4-4 mark during the regular season and a 5-3 record during the conference tournament. This record enabled them to finish fourth, out of nine teams, in the conference standings. The highlight of the conference season was the victory over Sullivan, which is a national scholastic bowl tournament qualifier. The scholastic bowl team also participated in the Eastern Illinois tournament, Mt. Pulaski tournament, Masonic tournament, and the Wenona Regionals.

Sean Black was named to the Okaw Valley all-tournament team for correctly answering twenty-six tossup questions. Scott Reeser provided excellent leadership in his role as captain of the varsity squad. Other members of the varsity squad included junior standout Ryan Gerald, Dan Zwick, Jeff Hammer, Greg Latham, Erin Kelly, Lucas Hicks, Brett Carter, and Bill Anderson.

The JV Scholastic Bowl team finished its 1990 season with a 11-5 record, second in the newly-formed Okaw Scholastic League. The quizzers finished behind Sullivan, whose team regularly competes in the national tournaments.

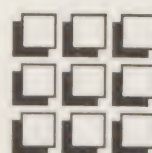

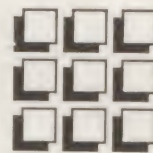

"We had a large, young team—eleven freshmen and three sophomores," said Becky Adams, first-year JV coach. Adams expects more good things from them next year.

Sophomore Jared Anderson was the JV's most valuable player, answering half of the team's individual toss-up questions. Freshman Jared Callison served as the team's captain and was second highest scorer.

Other JV team members included: freshmen Savilla Joss, Mark Michel, Brian Cooper, Will Daniels, Chris Hammer, Tracey Kress, Jennifer Schotzel, Tricia Tuggle, Darcie Webb, Kim Woollen, and sophomores Debbie Willis, and Jason Wrage. Woollen, Kress and Webb worked as statisticians for the team, as well.

# JETS TEAM WINS FOURTH REGIONALS IN A ROW

The Clinton Junior Engineering Technical Society (JETS) team, continued their domination of the Central Illinois academic scene. The Jets team won Regionals for the fourth year in a row. Then Clinton finished third in the Sectionals held at Eastern Illinois University. This finish prevented the Jets from going to state as a team. However, Scott Reeser, Greg Latham and Dan Zwick placed in the top two in their categories, qualifying them to go to the Individuals State competition.

In the District competition Clinton received six first place medals, five second place medals and three third place finishes. Scott Reeser and Dan Zwick led the way with two first place medals each. In Sectionals, Clinton received two first place and one second place medals.

Although, the Jets team members are academically brilliant, they obviously also have a "Wild Side." Upper: Scott Reeser must have just seen a horrendous math test. Center: Bill Ipsen and Ingrid Forsburg have turned their world upside down in order to get a better perspective on things. Lower: Dan Zwick and Greg Latham look bummed out after a hard day.

# NHS INDUCTS TEN

Eleven seniors returned in the fall of 1989 to perform the duties of National Honor Society. The eleven seniors sold lollipops for six weeks and en-

larged the reserves in the treasury to an all time high. The induction of new members was held March 1, 1990. After dining at Chi-Chi's, the group returned for the formal induction ceremony with nine eligible males receiving this honor. Marilyn Hoback, a former NHS member, was the guest speaker, and senior Julie Perring sang a solo. Parents and friends were invited to the ceremony and the reception following.

Plans were discussed for a car wash, but the event was later canceled because of the lack of time available in the month of May.

On May 29, the group landscaped the high school ground for their community project.

## YEARBOOK STAFF: UNFORGETTABLE

The Clintonia staff of 1989-90 started out with ten members. For the first time in many years the staff had two ambitious juniors. The staff attended a Herff Jones workshop on the U of I campus to kick off the year. Throughout the fall the staff hit the pavement to get ads from the business community. With the finances taken care of, the real work was

just beginning with many layouts to be drawn, deadlines to be met, and captions to be written.

Section assignments were made late in the fall with Sean Black and Joe Perring volunteering to work on sports, Troy Torbert opting for the senior section, David Reed taking on the underclassmen pages, Tisha Burton selecting the organization pages, Denise Hoff vying for the index, Leanne Dodd preferring the typing of the personalized names, Joanna Woolridge asking for the activities sections and faculty, and Tiffany Keene working on the opening pages and the theme. Most of the deadlines were met on time; occasionally a page or two had to be held back. All in all things went smoothly with the months of May and June busy as always.

# COUNCIL DONATES EQUIPMENT

The 1989/90 Student Council established many goals that were difficult to accomplish. The students serving on the Council demonstrated more involvement in all activities than in past years. The Council gave pride to the students and faculty by distributing "Clinton Community High School" folders on the first day of school. During Homecoming, the Council had a proclamation signed by Mayor Carl Troxel proclaiming a "Maroon and Gold Day" in the city. The council purchased a 25 inch television and VCR that were donated to the school for student and faculty use.

The Council once again was involved in attending conventions and workshops. Chris Ware served on the Illinois State Student Advisory Council. Many Council members attended Clinton School Board meetings and gave reports back to the Council. The members are happy with their accomplishments.

Council Officers—Anita Swearingen, parliamentarian; Chris Ware, president; Jeff Hammer, vice-president; Mary Bixler, treasurer; Julie Utterback, public information officer.

## ***SPORTS***

The Clinton Maroon football team had a respectable 4-5 record in 1989. Coach Goodwin was pleased with the way this team bounced back after last season's dismal 0 and 9 record. Winning awards for the Maroons this season included the following: Jeff Hammer for the most tackles with 130; Hammer was also named first team all conference at linebacker; Scott Reeser as the most dedicated player; and Robb Taylor as the most valuable and the best special teams player. (Taylor was also named first team all conference punter and second team placekicker.) Joining Taylor on the all conference second team were Bryan Hickman at offensive tackle and Josh Vandervort at defensive guard. Also, for tremendous effort Goodwin named all fourteen returning seniors as the most improved players; they were Hammer, Taylor, Reeser, Hickman, Mike Shutt, Dan Barclay, Dale Sizemore, Trent Fairfield, Scott Stirrett, Eric Owens, Joe Mannix, Brook Holt, Claude Alwood, and Dan Olson. Furthermore, Goodwin was pleased with the work ethic of the fabulous fourteen and their growth as people, both on and off the field.

The high-powered offense featured solid running by Jason Drake, Tad Baird, Brian Peavler, Mike Doggett, and Mike Vandervort behind a strong offensive line. The team's 5-2 record enabled them to finish second in the conference. The coaches were proud of the hustle and effort that the players put out and hope for their winnings ways to continue.

This year's freshman team compiled a very impressive 6-2 record. They struggled through many injuries and academic problems; but by showing a tremendous amount of heart and character, they continued to win, with their two toughest victories coming against St. Bede and Olympia.

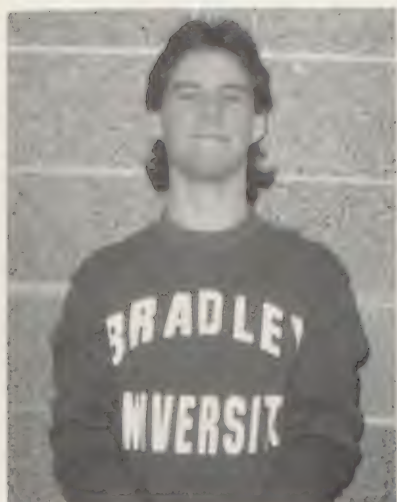

Furthermore, Coach Urban said that their success was due to the unselfishness and total team effort put out by his players. Mr. Urban hopes these players will be on many future play-off bound Clinton teams.

This year's golfers accomplished many feats. They won sixteen matches, tying the school record set in 1986. Also, they won the Monticello Invitational and finished second at Regionals. This placing at Regionals qualified them for Sectionals, where they placed eighth. However, most important was the fact that eighteen golfers, including eight freshmen, were on the team, making them the largest Clinton Golf team ever. Joe Liles was named most valuable golfer by having a team low 41.7 stroke average. Also, Joe finished eighth at Sectionals, which qualified him for the State Tournament, where he finished 44th. Jim Schneider was awarded the most improved golfer. He was also a medalist at Regionals; Troy Gyuran, Jamie Liles, and Bryan Powers comprised the rest of the Varsity team. The Junior Varsity holds promise for the future by having an 8-3 record, the best ever for a J.V. team. Coach Burger hopes the trends of winning and having many participants continue.

The Lady Maroons varsity volleyball team finished the 1989 season with a record of 12 wins and 14 losses, including a 4-6 finish in the conference. It took 7 matches for the team to get on track, opening the season with a disappointing 1-6 start. An exciting three game win at Warrensburg instilled confidence in the team as they went on to finish with an 11-8 mark. A second-place trophy at the Delavan Round-Robin Tournament and reaching the regional finals highlighted the year. Martina Underwood received the award for most attack kills (181) and was named to the all-conference team. Setting up most of Underwood's kills was Stacy Newberry, who earned the award for most kill assists (195). Two awards went out to senior Jody Nichols for best service percentage (95.5%) and most service aces (51). Senior Leslie Martin was selected as the best passer on the team. Nichols and Martin were both named all-conference honorable mention. Wendy Peck led the team in stuff blocks (22). The team appreciated four years of solid effort from the four seniors: Nichols, Martin, Lisa Brady, and Tiffany Keane.

The 1989 boys' cross country team had a very successful season. They accomplished a tremendous feat in bringing home a trophy from four out of the five invitational they entered. These included a 5th place at the Paxton Invitational, third place at both the U-High Invitational and the Spartan Classic, and first place at the Delevan Classic. The Delevan Classic was the first time a boys' team has ever won an Invitational. Furthermore, in the final Class A state rankings Clinton was ranked eleventh.

The boys' team finished in a tie for 2nd at the U-High Regional. However, Clinton finished a disappointing ninth at Sectionals, causing them to miss their goal of going to the State meet as a team. However, freshman Joe Alexander finished seventh at Sectionals, enabling him to go to the State meet where he finished 70th. Also, Alexander was named all conference for placing fourth in the conference meet. Mr. Clark cited Keith White as the most improved runner. Furthermore, Mr. Clark said that seniors Bill Anderson, Bill Ipsen, Marc Mills, and Mark Episcopo were valuable in the leadership that they gave to the underclassmen.

Also, they captured the first trophy for a girls' team by placing second at the Delevan Classic. This accomplishment garnered them an honorable mention in the state rankings. Mr. Clark selected Julie Perring as the most improved runner. Tiffany Burns and Ingrid Forsberg were named all conference, and Mr. Clark also cited them for their tremendous leadership ability. In the future, Coach Clark hopes to continue to field a full girls' team and improve on the tradition started by this year's team.

# Cheerleaders

The 1989-90 Cheerleading squads kept themselves busy all year long. During the summer of 1989 both the varsity and junior varsity squads went to cheerleading summer camp. The varsity squad finished second at the camp competition. Leslie Martin and Melissa Schumacher were chosen as All-State cheerleaders. The squads cheered at every boys' varsity football and basketball games and every varsity girls' home conference basketball games. When the girls were not busy cheering, they were making banners for and buttons of all the fall and winter sports teams and individuals. In February the cheerleading squads held a clinic that was attended by over 500 K-5th graders.

Both squads competed at the Regional cheerleading competition where they qualified for the national cheerleading competition. Furthermore, the varsity cheerleaders placed first at the Clinton Holiday tournament cheerleading competition.

# M-SQUAD

Eighteen dancing darlings made up the 1989-90 version of the Clinton M-Squad. The squad was co-captained by sophomore Kristi Helton and junior Amy Powless. Its members included one senior, three juniors, six sophomores, and eight freshmen. Stephanie Beadles, Kristi Helton, Debbie Willis, and Bobbie Isaac were chosen as All-stars by the Illinois Drill Team Association. These four performed at the Illinois Basketball Coaches Association All-Star Basketball game in June.

The M-Squad raised money through several fundraisers, which included a back-to-school dance, a booth at the Apple and Pork Festival, a clinic for grade-school children, and a kick-athon. The money accumulated from these fundraisers went to the purchasing of new uniforms and towards the expense of going to summer camp.

The highlight of the year was the continuation of the "Maroon Platoon" tradition. The Platoon performed twice, stealing the show both times. The Squad also performed during the Homecoming and Christmas parades, the Kenny Festival, and the Thorp Field Days.

This year's Clinton Maroon Varsity Boys' Basketball team had a 6-22 record. The team had a bright beginning by starting out with a 2 and 2 record at the Hoopston Tournament. However, the team did not win again until the Clinton Holiday tournament, where they won 2 games in a row before losing in the Consolation Championship game. The Maroons ended the season in Regionals by beating Wapella and then losing a close game to the eventual champion, Heyworth.

Scott Reeser, who led the Maroon team, was named as the most valuable player on the team. He also won awards for the most rebounds, most assists, and the best free throw percentage on the team. Reeser was also named to the second team all-conference. Mike Shutt was given the award for the best field goal percentage. Trent Fairfield was given the award for taking the most charges.

The freshman boys' basketball team had a very respectable season with 11 wins and 12 losses. This was the best record posted by a boy's basketball team this year. The team, coached by Mr. Byrd, won the Monticello tournament and placed third in the Maroa tournament. Mr. Byrd said that a solid team effort is what won the eleven games, and with this effort the boys have potential to be a very competitive team. Also, the team won all of their games against opponents who will be in the new Okaw conference next year. If this trend continues, Clinton will be winning many championships in the future.

# WRESTLING

The 1989-90 junior varsity wrestling squad finished the dual meet season with a record of eleven wins and one loss. Their only loss to Mahomet-Seymour was avenged later in the season when the Maroons defeated them in two tournaments.

In all the tournaments that the junior varsity competed in, they placed among the top three teams. The tournaments in which the team excelled at were the Mt. PULASKI varsity tourney, the sixteen team Springfield fresh-soph tourney, and the Catlin fresh-soph tourney.

The Clinton Maroon varsity wrestling team dominated Class A wrestling in Illinois. The Maroons were the #1 ranked Class A team for most of the season. The season culminated in the wrestlers' placing third in the state meet. The road to the state meet was paved with successes. The successes started with the first meet of the year. Clinton became the first Class A team from Central Illinois to beat Mahomet-Seymour in eleven years. This win started a string of 22 straight dual meet wins before losing in the semi-finals of the state meet. While Clinton was rolling through their dual meets, they were also winning four team tournaments. These victories included the Clinton Holiday tournament, the Gibson City wrestling tournament, the Tremont tournament, and the U-High tournament that included some Class AA schools. Also, this team entered the All-Time Illinois Record book in four categories: most takedowns in a season, most dual team points, most pins in a single match with 11, and the top number of pins in a season with 208. Furthermore, Clinton won its Regional, knocking out Mahomet-Seymour, in a thrilling meet. Then they beat Oakwood for the Sectional crown. Clinton also won the Corn Belt conference championship.

The wrestlers were led by four seniors: Dan Barclay, Scott Morlock, Matt Lipke, and Kevin Deavers. Barclay capped a stellar career with a tremendous season. He qualified for the Individual State meet for the third time. Also, Dan broke the school record for the most career victories, and he was named a captain of the squad. Scott Morlock was also a captain for the team. Morlock was the first Clinton wrestler to win 40 matches in a season. Morlock also qualified for state for the second time. Matt Lipke was also a Captain, and he was a three time state qualifier. Lipke broke Barclay's school record for career victories with 136. He also set the school record for number of pins with 96. This total placed him fifth on the all-time State record list. Kevin Deavers was the fourth senior. Deavers was a three-year varsity wrestler and an emotional leader of the team. During the Regionals Kevin pinned all of his opponents on the way to winning the Regional championship. Also, junior Jason High had a tremendous season. High finished fourth at Individual State, the highest finish for a Clinton wrestler this year.

With 13 varsity wrestlers returning next year, Coach Nagel hopes for the team to return to and win the State meet. Coach Nagel was also honored as the Decatur Herald and Review wrestling coach of the year for the second straight year. The wrestlers also were proud of the crowd support that they received throughout the year. The Clinton fans were the largest crowd at the State meet!

The 1989-1990 Clinton Varsity Girls' Basketball team had a banner season. The team set a school record for wins with 23 while accumulating only 6 losses. They also won the Regional Championship and finished second in the Conference. Mrs. Kiick said that the girls' best game was against AA Pontiac, when Clinton won 65-42.

Martina Underwood broke the school record for most points in a career. She also won team awards for most steals, rebounds, assists and the best field goal percentage. Underwood also was named to the All-Conference and to the DECATUR HERALD and REVIEW all area team. Stacy Newberry received awards for most assists and best free throw percentage. Newberry was also named to the second team all-Conference. Lisa Brady was honorable mention all-Conference.

Although the team lost five valuable seniors, Tiffany Burns, Lisa Brady, Jody Nichols, Anita Swearingen, and Rita Ingram, who provided much needed experience and leadership, Mrs. Kiick hopes to win 20 or more games and the Sectional championship.

Hopefully, these players will continue to provide valuable playing time in their varsity years.

The Clinton Girls' track team had 23 members this year. The eight senior members who provided excellent leadership and ability to the team were Tiffany Burns, Ingrid Forsberg, Leslie Martin, Jody Nichols, Kelly O'Neill, Kelly Moore, Julie Perring, and Kisha Wheeler. The Clinton Carnival provided the highlight of the year for the team. They finished fifth out of 13 teams at the Carnival.

Special Award winners for the girls this year were Tiffany Burns as Most Valuable. Jody Nichols as most improved and Wendy Walters and Debbie Scoles as the top rookies for the team. Furthermore, Burns, Walters, and Natalie Sams held the best times or distances for the Lady tracksters in two events a piece. Burns held the best times in the 3200 and 1600 meter runs, Sams in the 300 and 100 meter hurdles, and Walters in the Discus and Shot-Put.

Clinton High school has had a solid boys' track team for several consecutive years, and this year was no exception. The Maroons were a young team with only six seniors on the squad. However, this underclassmen-laden team gained valuable experience and should be a force in the future years. The bright light for the team this season was their third place finish in the tough Clinton Carnival track meet.

Individually, Joe Dougherty led the Maroon success with a third place finish in the 800 meter run at the Class A State meet. Dougherty assumes the favorite's role for next year's State meet. The 1600 meter relay team, comprised of senior Bill Anderson and juniors Eric Thayer, Josh Turney, and Dougherty, finished fourth in the state. Furthermore, freshman sensation Joe Alexander finished eleventh in the 1600 meter run at the State meet. Josh Turney also competed at the State meet in the 400 meter run. On the downside, senior Dan Olson missed qualifying for the State meet by a mere two inches in the shot-put. However, with the amount of talent returning next year, Coach Clark has high expectations for the future.

The Clinton Maroon Girls' Softball team has been consistently the best team for Clinton high school. For the ninth straight year the softball team posted a winning record with 13 wins and 12 losses. The team had a rocky regular season due to the fact that Coach Austin had trouble getting his whole team together at once. However, during Regionals, when the season counts the most, the girls put it all together and won Regionals. The team won Regionals behind the strong pitching of Martina Underwood who limited the opposition to one run in the 3-1 championship game victory. Hopefully, the softball team will continue to post winning records.

The Junior Varsity softball team also posted a winning record with three wins and 2 losses.

The Clinton Maroon baseball team was impressive this year. They completed the season with 11 wins and 8 losses, with half of those losses coming against Double A schools. The Maroons were second in the Corn Belt Conference with a 7-3 conference record. After a rocky beginning, the team won six games in a row and eight out of their last nine games. Coach Triezenberg said that the team played their best game at Mahomet-Scymour when they came back to defeat the Bulldogs.

Brook Holt led the Maroons in batting with a .428 average. Jason Roeder and Trent Fairfield were also hitting machines with .406 and .380 averages respectively. Holt and Fairfield led the team in runs batted in with 15 each. Mike Shutt was the team's leader in homeruns with three. Robb Taylor was the ace of the Maroon pitching staff with a 7-3 record. Mr. Coon, head of the Special Services Department, stated that the format for freshman orientation sessions was changed last year. Instead of separate sessions with each student and his/her parents, the sessions were conducted with groups of six students and their parents. Orientation to high school, courses for high school and career planning were topics covered in the session.

Career and educational planning is provided to seniors. Financial aid information and a financial aid seminar for students and parents is also provided to seniors.

Each student has a registration conference held in the spring to plan courses for the coming school year.

According to Mr. Adcock, head of the English Department, last year was a busy one for the English Department as the staff had been working on State of Illinois mandated tests in reading, literature, writing and grammar. In addition, the school was on the seventh year of a seven-year cycle with the North Central Association, an evaluation organization which helps schools to look at themselves.

The office area was changed into a teachers' workroom, and almost all books have been moved to another storage area. Also, Mrs. Fields was busy cataloging all audio-visual materials in the Department.

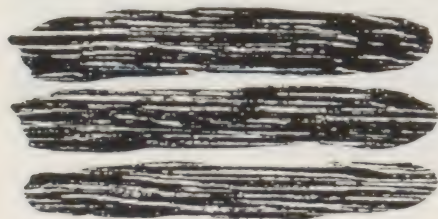

Additionally, an updated Department Handbook was being prepared for the staff. This Handbook lists all of the goals and objectives for each course that the Department offers. They hope that this will help to give courses more balance and continuity.

The addition of a new computer room has forced three teachers to travel among several rooms, with two teachers sharing the same room for storage and desks. This situation will hopefully be corrected with construction of a new computer room in the library. We also would like to make some revisions in summer school program to make it more compatible with what is taught and required during the regular school year.

Mr. Burger, head of the Industrial Tech department, asked Mr. Bernard to prepare a summary of the department's activities. The Industrial Tech department enjoyed a good school year. Student enrollments increased in all classes. Mr. Burger and Mr. Blessing were especially proud of the Computer Aided Machining and Computer Aided Drafting courses. Students learned programming skills and applied those skills in real-life industrial situations. Mr. Burger's C.A.M. classes used the IBM lab and a computer-directed lathe in shop. Mr. Blessing's classes also used the IBM lab.

Upper left: Marie Gormley has been a resource teacher here since 1986. Above: Walter Urban enjoys teaching as well as coaching. Left: Charles Nagel observes his seventh hour weightlifting class.

Fine Arts Department head, Mrs. Jones, stated that all members of the department were involved in the All-State Production, *THE WIZ*, which was presented as the final activity for the Illinois High School Theatre Festival. Mrs. Jones was director, Mrs. Tennill was vocal director, Mr. Bryant was scenic designer, and Mr. Streight helped with the instrumental music.

The theatre division presented two main state presentations: *THEATRE FOUR*, an evening of one-act plays, the musical *L'IL ABNER*. The choral group presented five concerts and sent fourteen students to participate in the IHSA solo and ensemble contests in March. Also, seven students were a part of the Fall Choral Festival at ISU.

Mr. Bryant said that his art classes accomplished many things. They made graduation diplomas and submitted several covers for the yearbook. They also produced M-Squad Miniclinic T-shirts and repaired the NHS emblem.

Mr. Streight indicated that the band performed at many different events. They received first at the Farmer City Christmas Parade and a participation plaque at the Marching Illini Band Festival. They were accepted to perform in the 1990 Gator Bowl. The band also performed at the IHSA Organizational Contest.
